## RECCOMENDATION

In December 2020, we cooperated with Animatria in the field of part of conducting online workshops for adults and preparing 60 creative boxes for their implementation.

Animatria was responsible for:

- preparation of online classes for group of adults
- confection and shipment of the order
- conducting remote workshops

The joint project ran smoothly, the proposals prepared by Animatria were received positively by our employees who participated in the event. We recommend Animatria as a business partner, that offers services at a high level, taking care of technical and substantive aspects, and in case of problems or questions – Animatria offers immediate help.
